DETAILED ACTION

Reasons for Allowance

1. The following is an examiner's statement of reasons for allowance.

Claim 1 is allowable over the prior art of record, because the prior art of record does not disclose "an adapter removably connectable to the remote device and including a secondary, a power regulator to supply power to the remote device rechargeable power source, an adapter rechargeable power source for powering the adapter, a first adapter transceiver to establish a first two-way communication link with the remote device transceiver, and a second adapter transceiver to establish a second two-way communication link with the CPS transceiver: the first two-way communication link and the second two-way communication link providing a serial two-way communication path between the remote device and the contactless power supply".

Claim 13 is allowable over the prior art of record, because the prior art of record does not disclose "an adapter including a secondary and an adapter rechargeable power source the adapter being removably connected to the remote device; a first two-way communication link between the remote device and the adapter; and a second two-way communication link between the adapter and the contactless power supply, the first two-way communication link and the second two-way communication link providing a serial two-way communication path between the remote device and the contactless power supply".

Claim 23 is allowable over the prior art of record, because the prior art of record does not disclose “creating a third communication link between the contactless power supply and a computer; and creating a fourth communication link between the computer and the network, whereby the remote device can communicate with the network through the first, second, third, and fourth communication links”.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”
